EDUCATION

University of Guelph

Guelph, ON

Bachelor of Computing in Computer Science (Honours), Co-op - Cybersecurity Specialization

Expected Jun 2030

TECHNICAL PROJECTS

Sorting and Search Algorithm Benchmark

Mar 2026

- Implemented and benchmarked six sorting algorithms in C, including merge sort, quick sort, and a hybrid merge sort.
- Compared binary and ternary search performance using structured numeric data loaded from CSV files.

Student Record and Username Processor

Feb 2026

- Built a modular C program to read, process, and write structured student records from CSV files.
- Separated file, string, and statistics operations into reusable modules and added a repeatable Makefile build.

Dynamic DNA Record Database

Nov 2025

- Parsed CSV records into dynamically allocated C structures and implemented classification and sequence-length analytics.
- Added record insertion, deletion, array resizing, and complete memory cleanup using malloc, realloc, and free.

DNA Sequence Analysis Toolkit

Oct 2025

- Developed reusable C functions for GC-content analysis, motif search, Hamming distance, and palindrome detection.

Personal Portfolio

Sep 2026 – Present

- Built a multi-page React portfolio to showcase projects, technical skills, and contact information.
- Created responsive layouts with CSS Flexbox, Grid, and media queries, and refined the homepage for mobile.

EXPERIENCE

Independent Landscaping Contractor

Mississauga, ON

Landscaping Contractor

Jun 2023 - Present

- Diagnose client service needs, coordinate solutions, and communicate project status to maintain consistent service quality.
- Organize schedules and priorities to meet deadlines across recurring client engagements.

Longos

Mississauga, ON

Bakery Clerk

Mar 2025 - Present

- Resolve customer requests in a fast-paced retail environment while maintaining accurate, time-sensitive orders.

NTN Bearing Manufacturing

Mississauga, ON

Student Technician

Jun 2024 - Dec 2024

- Operated industrial equipment under strict safety protocols in a high-precision manufacturing environment.
- Maintained complex mechanical systems and supported industrial chemical cleaning and powered floor equipment operations.

LEADERSHIP AND VOLUNTEER EXPERIENCE

Photographer and Social Media Manager

Mississauga, ON

Volunteer

Apr 2023 - Jun 2025

- Managed event schedules and updates, strengthening team communication and coordination.

Lenworth Building Services

Mississauga, ON

Student Volunteer

Summer 2023

- Maintained accurate records and completed administrative tasks with strong organization and attention to detail.

SKILLS AND ACHIEVEMENTS

- Programming: C, C++, Python, Java, Javascript, React, CSS | Tools: GitHub, Linux command line, EASy68k, AI Tools: ChatGPT, Claude | Operating Systems: Linux, macOS, Windows
- Certifications and Awards: WHMIS; Honour Roll (Grades 8-12); English, Geography, and Video Production subject awards
